

Dear Sir/Ma'am,

I am Gaurav Deep Agrawal, a graduate of NUJS Batch of 2022 and an Advocate with the Bar Council of West Bengal.

I am writing to express my interest in securing a position of an Associate in the Privacy, Data Protection and Cybersecurity team at Spice Route Legal. I greatly resonate with this practice area and have been fascinated with the recent work done by Spice Route Legal because it matches my career goals.

I have a keen interest in corporate, commercial and banking laws, and I have previously worked as an Associate with Khaitan and Co., Delhi NCR, in the Capital Markets team and with Vritti Law Partners, Mumbai in their Mergers and Acquisition/Private Equity/Venture Capital team.

I have a post qualification experience of 6 months at Vritti Law Partners and 3 months at Khaitan and Co.

As an Associate at Vritti Law Partners I was involved in conducting due diligence for mergers and acquisition deals, drafting and reviewing the shareholders agreement and share purchase agreement, along with regularly advising on corporate law mandates for the clients. During my tenure at Khaitan and Co., I was involved in conducting due diligence of a target company in the pharmaceutical sector, along with research on various aspects of Companies Act, 2013 and SEBI regulations. I have also been responsible for drafting the management, financial indebtedness, group companies chapters of a Draft Red Herring Prospectus in consonance with SEBI guidelines and advised multiple public companies in relation to launching of IPOs and rights issues.

I believe that my experience at Vritti Law Partners and Khaitan and Co. gave me exposure to what working at a law firm entails, along with what is expected of me in accordance with the high standards set by your esteemed firm. My work experience thus far has developed me as a professional, and instilled a robust work ethic that would enable me to work effectively for the benefit of any organization. If given an opportunity to be an Associate at Spice Route Legal, I firmly believe I would be an asset for the firm and contribute to the fullest extent possible.

Please let me know if I should fulfil any other requirements as part of this application. I look forward to hearing from you.

I am attaching my Curriculum Vitae and my Bar Council Certificate for your perusal.

Thank you.

Warm Regards,

Gaurav Deep Agrawal
