

Dear Team,

Expressing Interest in a Career in Corporate Law.

I am writing to express my strong interest in pursuing a career in corporate law, with a particular focus on mergers and acquisitions.

My academic background, which includes BA. LLB from KLE Society's Law College, has provided me with a solid foundation in legal principles and a strong understanding of business operations.

While I am at the beginning of my legal career, I am committed to gaining the necessary skills and knowledge to excel in corporate law, and I am open to starting with an assessment or entry-level position to learn and grow within the field. I firmly believe that working in a dynamic and supportive environment would provide me with valuable exposure to real-world corporate legal challenges and opportunities.

My motivation to work in mergers and acquisitions stems from the intricate nature of these transactions and the opportunity to play a crucial role in shaping the success of businesses. I am drawn to the complex legal issues and strategic decision-making involved in M&A deals, and I am excited about the possibility of contributing to the growth and success of your clients.

I have attached my resume for your review, which provides further details about my educational background, coursework, and relevant skills.

I would welcome the opportunity to discuss how my passion for corporate law and my dedication to learning could be an asset to your team. I am open to meeting for an informational interview or participating in any assessment or recruitment process that you deem appropriate.

Thank you for considering my application. I am excited about the prospect of contributing to the success and growing as a corporate lawyer.

I appreciate your time and consideration.

Kind Regards,

Jyoti Jain
