Dear Hiring Manager,

I am Adarsh Khuntia, writing to express my sincere interest in the Associate position within the Commercial IP Practice at Spice Route Legal, as recently published on the website. As a final-year law student with a strong academic foundation and a passion for intellectual property law, I am eager to begin my legal career at a distinguished firm like Spice Route Legal.

Having extensively researched Spice Route Legal's consistent and committed legal services through extensive innovation and excellence, I believe my expectations from a legal career align with the objective of the firm. Joining the firm would be a matter of invaluable opportunity for me to learn from such experienced and seasoned professionals.

Currently pursuing my B.B.A L.L.B (H) at Birla School of Law, I have nurtured my legal skills and developed a profound understanding of intellectual property law, commercial law, contract law and competition law. My academic study and practical experiences through research and internships have contributed to furthering foundational knowledge on the above-mentioned subjects.

I have been a consistent top-percentile holder in my class, demonstrating my commitment to academic excellence in legal studies. I have done one internship at Hola Associates, where I developed a keen understanding of the procedure of intellectual property rights filling and various compliances in the different types of intellectual property rights applications. I have also co-authored one research paper highlighting the economic importance of intellectual property rights and its importance for entrepreneurs in current age finance raising. I have also volunteered as an editorial and research assistant in the publication of a book on intellectual property rights and their importance in new-age entrepreneurship. I have also actively participated in various moot court competitions and group projects evidencing my ability to work in a team.

While I may be a fresher, my academic achievements combined with my research work and internship experiences showcase my dedication and enthusiasm to learn. Thank you for considering my application. I am eager for the opportunity to bring my fresh perspective, dedication, and willingness to learn to Spice Route Legal.

Kindly let me know if any further details are required and I shall be happy to provide them. I can be reached at my phone number and the email signature below as well.

Sincerely looking forward to and waiting in anticipation of a positive response.

Yours sincerely,
