

Respected Sir/Mam,

I hope this email finds you well. I am writing to express my strong interest in the Associate position currently available at your law firm. I would like to request for an assessment internship at your firm as I'm currently in my final year of law school. As a law student with a strong academic record, I am confident that I have the skills and qualifications necessary to contribute to your team and gain valuable experience in the legal field.

Throughout my academic career, I have consistently demonstrated a strong passion for the law and a desire to make a positive impact in the legal profession. I have honed my legal research and writing skills through various internships.

In addition, I have excelled in my coursework. I am confident that my strong academic background and hands-on legal experience make me a strong candidate for this internship.

While I understand that internships typically have designated timeframes, I wanted to express my flexibility regarding the duration of the internship. I firmly believe that any period of internship, be it a short-term or long-term commitment, will provide me with valuable insights and a chance to contribute meaningfully to your team.

I am impressed by your law firm's commitment to providing high-quality legal services to clients while fostering a supportive and collaborative work environment. I am eager to contribute my skills and learn from experienced attorneys in a dynamic and challenging setting.

Thank you for considering my application. I would be honoured to discuss further how I can contribute to your team as a legal intern. Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

Nidhi Chaudhari
