

To the Recruitment Team,
Spice Route legal.

Please accept this letter as an interest towards a legal associate position with your Law Firm.

I am currently pursuing my LLM postgraduate degree at NLSIU, Bangalore, with a current CGPA of 5.25/ 7 (first trimester). I also hold the Co-conveyor position at the Recruitment Coordination Committee (RCC) for the LLM Cohort.

I believe I am an apt candidate for the position as I have a good track record of 3.5 years or work experience with Anant Merathia and Associates (AMA), Chennai as a Legal Associate post graduating in 2019.

In my position as a legal associate, I practiced in the area of Restructuring, Insolvency and Bankruptcy, Transactions, Due Diligence, Litigation practice before NCLT, NCLAT(Chennai), DRT, RERA, Madras High Court. I was also part of the International Desk at AMA. I also parallelly managed Interns and took part in the various Business Development activities apart from fulfilling a full-fledged legal associate who dealt with multiple clients and cases.

Apart from this I have always been extensively interested in research and have had the amazing opportunity to work with three distinct and intellectual law academics in compiling, researching, writing and editing their respective books (The details of the three books are mentioned in the Resume attached).

Apart from the practice areas that I have preliminary experience in, I would also like to explore a career in Capital Markets, Mergers and Acquisitions, International Trade and Technology Laws.

I am excited to contribute to the best of my knowledge and learn in the process.

Please take a moment to review my attached Resume. I would greatly appreciate an opportunity to speak with you on my candidature.

Regards-

Dhanisha O Giri
