JOB REFERENCE: JUNIOR ASSOCIATE

Respected Ma'am/Sir

I hope this message finds you well. I am writing to express my keen interest in the opportunity as a legal associate at your firm, as mentioned. As a final-year student pursuing a five -year degree in law at Kalinga Institute of Industrial Technology (KIIT School of Law), I am excited about the prospect of contributing my legal skills and knowledge to your esteemed institution.

Upon reviewing the eligibility criteria outlined in your document, I am pleased to confirm that I meet the requirements specified. I will be completing my law degree by next year, that is 2024, and I am eligible for enrollment as an Advocate with the Bar Council of India. Furthermore, I possess a solid understanding of legal principles and have actively engaged in legal research and writing during my academic tenure.

Additionally, I have cultivated a proficient working knowledge of computer systems, essential for conducting thorough legal research and analysis in today's digital age.

I am deeply motivated to leverage my academic background, enthusiasm for the legal field, and dedication to contribute effectively to the firm's objectives. The opportunity to collaborate with esteemed professionals and delve into the practical aspects of law excites me immensely.

I am excited about the prospect of contributing to the impactful work undertaken by this firm and would welcome the opportunity to join.

Thank you for considering my application. I look forward to the possibility of contributing to the Tribunal's endeavors.

Warm regards,

Anshika Parth
